# Dedication

... to Mr. Schleicher

We, the Class of June 1950, dedicate our issue of the Cog 'N' Pen to our beloved Faculty Adviser, Mr. Victor H. Schleicher, who has sacrificed his most precious time so generously for us and has spared no effort in making our Yearbook a great success and our Senior year enjoyable.

May we congratulate him on the wonderful task he has done in advising and directing us on our journey.

Greetings to the Class of June 1950. If you pause to look back, I hope you will think of your years in Central as having been interesting, pleasant, and profitable.

You may be sure you have our best wishes for your happiness and success.

*Stanton A. Ralston*

Thank you for your patience, wisdom and understanding which you have so freely extended to us in our association with you. We know we have been very trying to you at times, yet you have shown us every consideration. May our successors share the blessings we have had.

## Football

Since 1945 Central has made tremendous strides forward in the Scholastic Football World. The football squads here at Central have been composed of very energetic and interested players. There was never an occasion when the Central football team did not play valiantly. It has been a great honor and a privilege to coach the football teams as they were sportsman-like, courteous, respectful of opponents' ability and proud of being Centralites. I do hope that we continue to maintain the great tradition of the Blue and White on the gridiron and do justice to all Central students and Alumni.

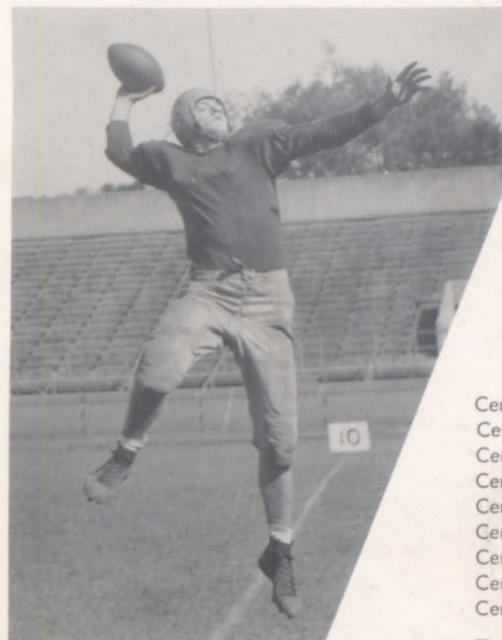

SAL COMMISA  
Coach

*Salvatore A. Commisa*

JOE IAPAOЛО

Has been a member of Coach Sal Commissa's football team for the past two seasons when Central captured City Championship. In his Senior year he gained a starting birth at center. He was hampered throughout the year by an early season injury, but he was out on the field every Saturday waiting to crush the opposition. Was awarded two Varsity "letters" and two gold footballs.

ED FLATLEY

Ed started playing football in 1947. He played an important part in the winning of Central's two City Championships in 1948 and 1949. Ed played best ball in 1948. He also earned two Varsity "letters" in basketball. Ed was also on the track team and was City champion in the javelin throw.

# Basketball

On a basis of wins and losses this proved to be the best team in the history of Central High cagers. Among other honors received were the placing of three members of the squad on the All City Team, two members on the county team and one on the state team.

Three members of our class "June 50" John Gaertner Larry Pratt and Ed Flatley helped complete this fine basketball record and we feel they should be assets on any college team with their fine play personality and morale. Our Central basketball team, winning the City and Sectional crowns and being runners up in the County and State championships, will help maintain us as a "power" in Jersey sports.

JOHN GAERTNER

Started his basketball career in the 1948-49 season. The 1949-50' season found John playing brilliant basketball. John was one of the sparkplugs in Central's upset of West Orange. He was chosen for the All-City basketball team. He also helped Central reach the finals in the Essex County and State Tournaments. Awarded two Varsity basketball "letters"—one All City gold basketball—one silver Essex County basketball.

LARRY PRATT

When Larry entered Central in his sophomore year he made the first string Varsity. During his three years of basketball at Central, he scored a total of over five hundred points. He received three "letters", two silver basketballs and one gold one. He made All City in the junior and senior years and second team All County.

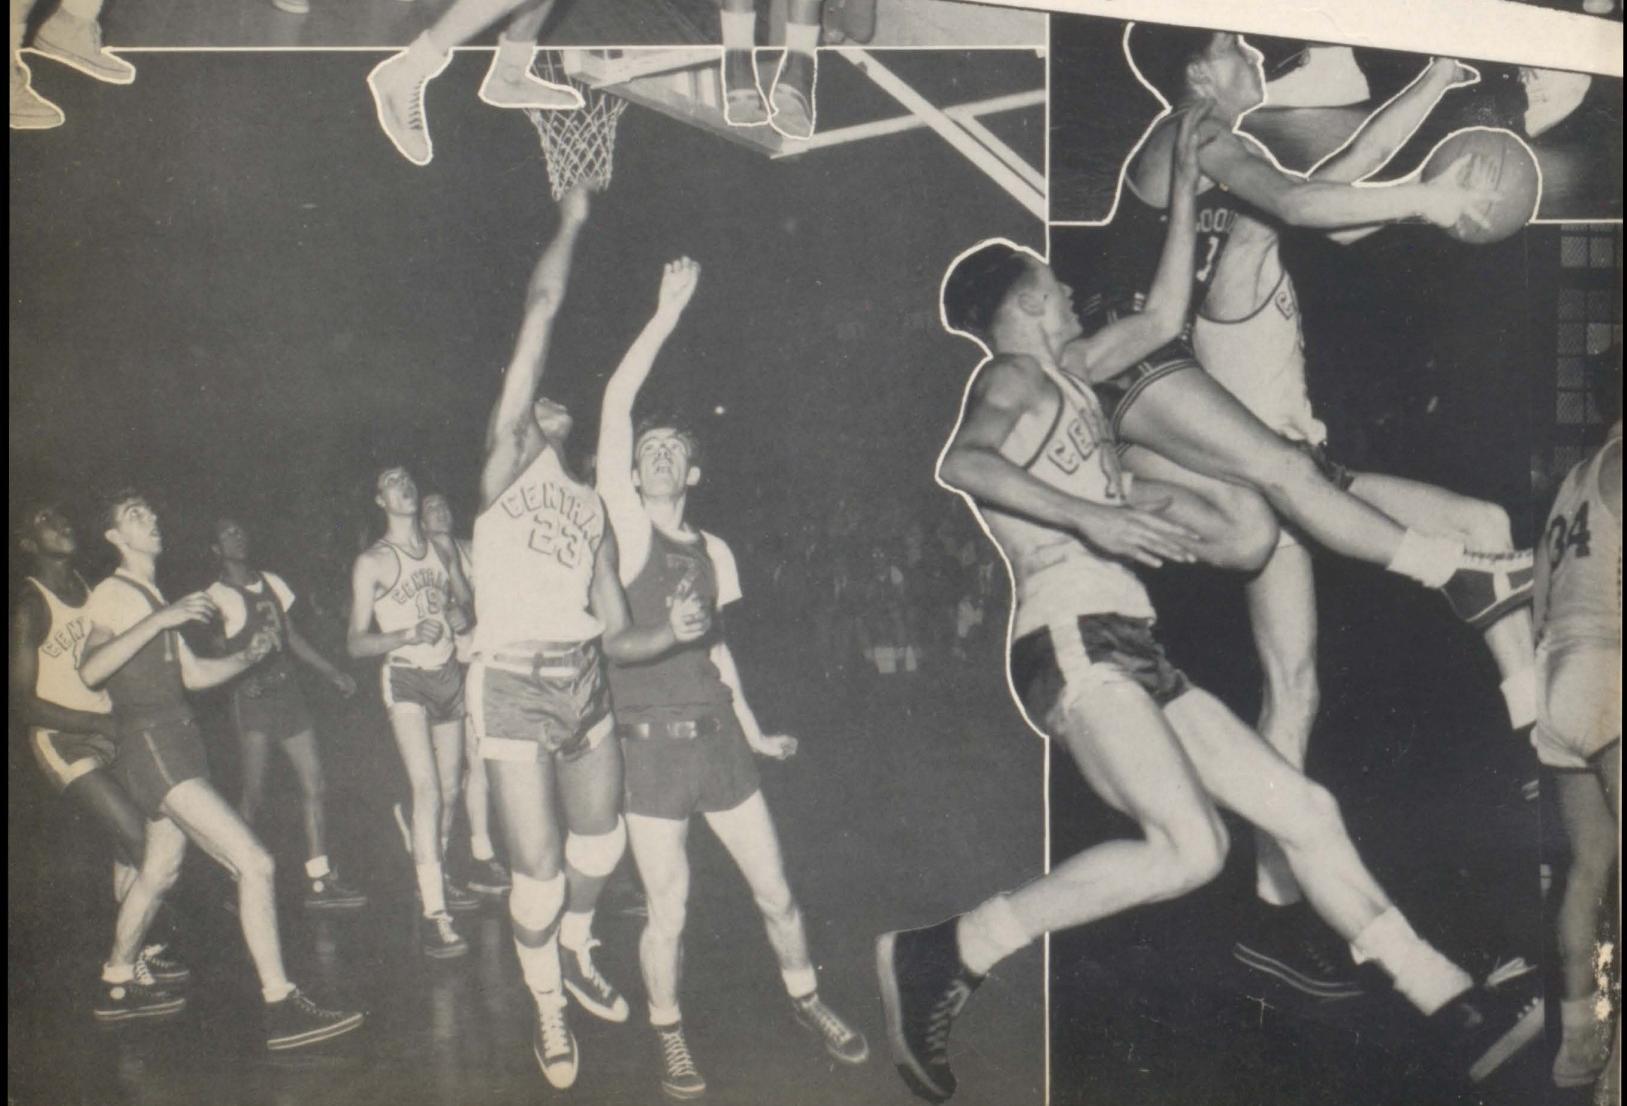

ED FLATLEY

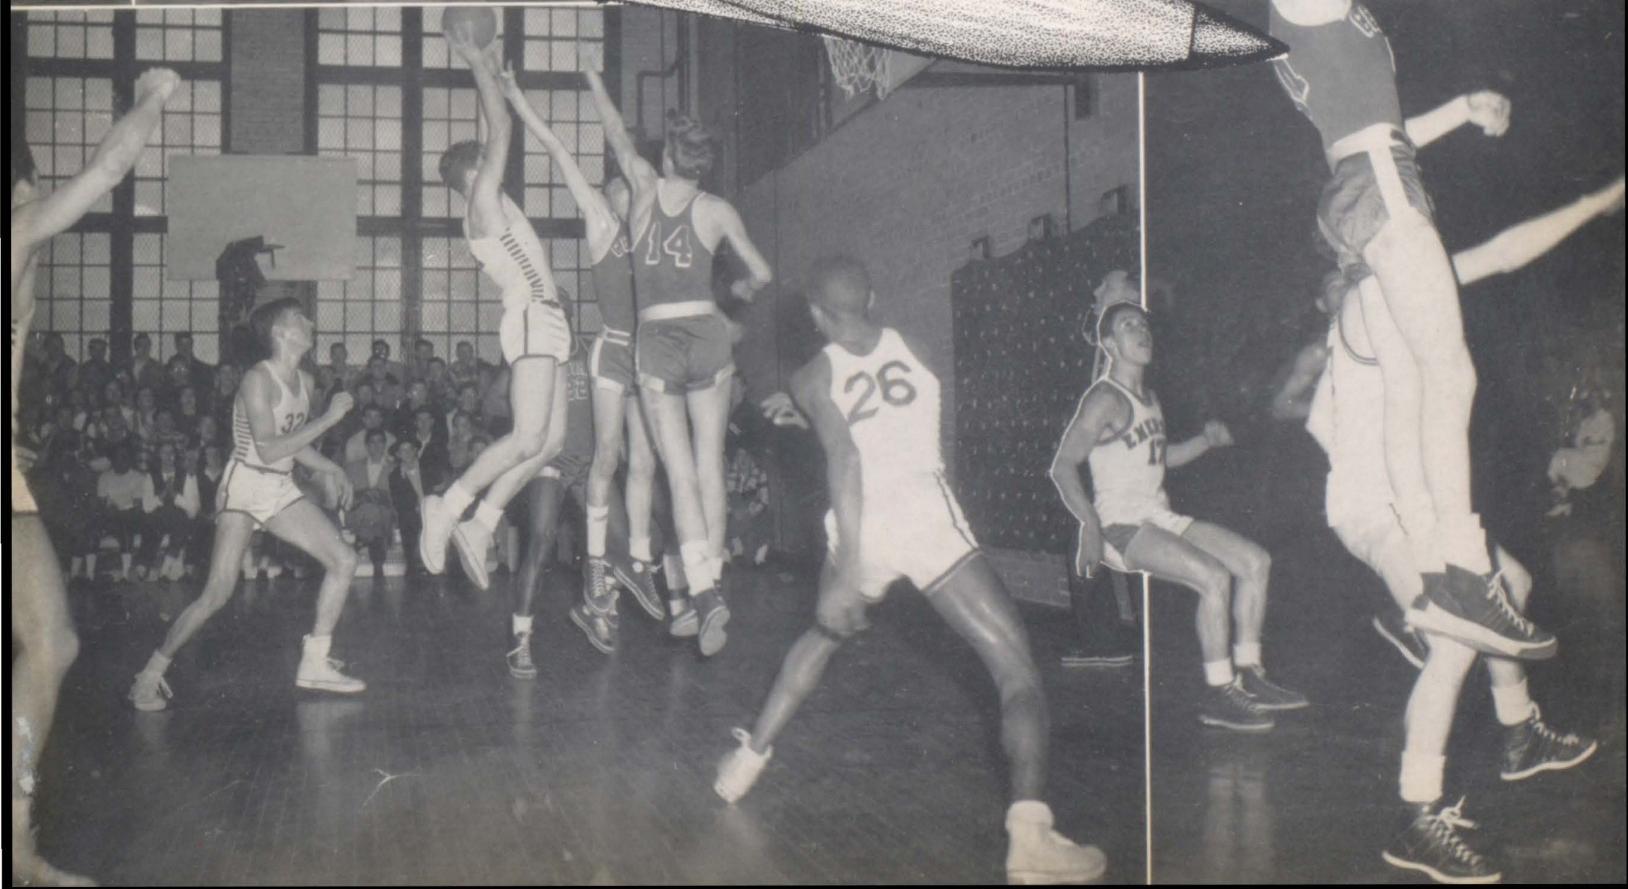

Although not a member of the starting five, Ed proved himself a capable substitute. He did not crack under the strain. He was the type of player who played just as hard whether we were winning or losing. When the going got tough, Ed could always be counted on to bring home a basket.

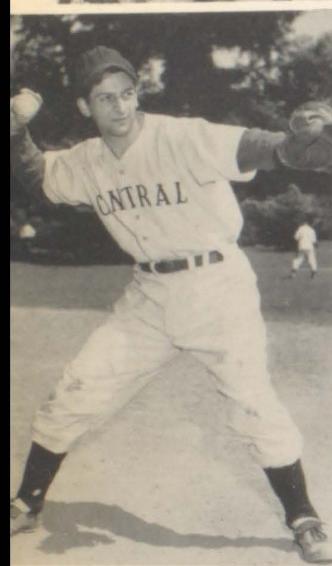

The "Highstreeters" in Action

FRANK PETTINATO

Frank came to Central from St. Lucy's and displayed the same skill and aggressive hitting that earned him a .250 average in 1948. Participating in all of twenty-one games in 1949 Frank ended with a season's average of .394. His playing highlighted the team to the City Championship. He was elected to the shortstop position on first team All City. He represented Central on the second team All County. He was awarded two gold baseballs, two Varsity letters and Honorable Mention All State.

For the past three years, the Baseball teams have won the Newark City Championship with the enviable record of twenty-seven victories against three defeats. This year is an off-year with emphasis on rebuilding for the future. Frank Pettinato, John Romano and Dominick Chiego are among the graduating seniors who have earned Varsity letters. Frank Pettinato who led the team in batting last year was selected on the All-City Baseball team at shortstop. John Romano played a capable game at third base while Dominick Chiego was used as a relief pitcher. The 1947-1948-1949 teams also qualified for the Greater Newark Baseball Tournament which selects the best sixteen teams in the state. It has been a pleasure and privilege to have worked and associated with these boys.

ROBERT REILLY  
Coach

DOMINIC CHIEGO

JOHN ROMANO

On the J. V. baseball team in his second year. Made Varsity in the middle of that season. One of Central's top pitchers. Received gold baseball and two varsity "letters."

Baseball in his sophomore year and made third team Varsity. In his Junior and Senior year made Varsity squad. Made Central All-City Championship team of 1949. An excellent fielder who has helped Central out of many a rough spot. Awarded two Varsity C's and gold baseball.

LEIGH AULEB

Has been a member of the indoor and outdoor track teams for the past three seasons. He has been a very consistent runner for Coach William Bauer. He was awarded a silver medal for coming in second in the 880 yard dash in City Championship meet. Leigh also ran on two of Coach Sol Fleischman's City Champion Cross Country Teams.

GEORGE ARNOLD

Started his athletic career at Central in 1948. Helped his team take City Championship Cross Country. Under Sol Fleischman, the team retained this title for seasons 1948-49. As captain of swimming team he helped them establish a record of ten wins and no losses in 1949. He also ran the one-half mile on the outdoor track team for three years. Received seven "letters"—three medals—one track "shoe".

SOL FLEISCHMAN  
Coach

## *Cross Country and Track*

After winning the City Cross Country title for three consecutive years Central Highs runners under the capable guidance of Sol Fleischman succumbed to a strong West Side squad. The team was left with only two returning letter men, George Arnold and Bob Paauw, but is managed to come up with good material which made them tough in all competition. Central's runners displayed their colors again in the Essex County meet and came home with a beautiful trophy for second place, losing again only to West Side.

*Sol Fleischman*

ROBERT PAAUW

Made Varsity Cross Country team in first year and earned major letter. Central took City Championship that year. Earned a "letter" in swimming. Would have been a stalwart of the swimming team but it was discontinued.

IRVING LEVIN  
Coach

## Swimming

The swimming team was progressing nicely and I was looking forward to a successful season.

Unfortunately, on account of the water shortage, the pools were closed and the team disbanded.

Arnold, Hirleman, and Paauw were the mainstay of the team, Arnold would surely have won the 40 yard free style championship.

*Irving Levin*

RICHARD HIRLEMAN

Began his swimming career for Central in his Junior year. Specialized in the back stroke. Became quite an asset to his team in the 1948-49 campaign. Dick took fifth place in the City Meet and earned his Varsity "letter." The team had an impressive record of ten wins and no losses in League competition, although they lost out in the City Meet for the title in 1948.

GEORGE ARNOLD

In '48 won his Varsity "Letter," receiving a silver medal in the City meet. As captain in '49, the team won ten out of ten contests, receiving a silver medal in the 40-yard free style and a gold medal as a member of the City Champs free style relay team.

BOB PAAUW

Last year was Bob's first season with the swimming team. He soon proved himself to be one of the best breaststrokers on the squad and one of the better in city competition. Bob's consistent showing is his particular division and as a member of the medley relay team earned him a Varsity letter, and helped spark the team to an undefeated season in dual competition.

## Cheerleaders

Our cheerleaders are selected by five judges on the basis of Personality, Appearance, and Ability to perform the actual cheers. They have been a decided asset in the success of our teams. They require vigor and a keen sense of team work. They must sense the pulse of the game. Their job is to maintain morale, whether winning or losing. A good, well-timed, rousing cheer has won many a hard fought contest.

*William C. Bauer.*

## Band

Our symphonic Band has grown in size so that it is now one of the largest concert organizations we have ever assembled. Newcomers who can play a band instrument are always welcome. Central's Bands have always given an excellent account of themselves.

JACOB RITTENBAND  
Music Director

*Jacob L. Rittenband*

## Twirlers

Our Twirling squad is second to none. They practice hard and conscientiously. This squad is an outstanding one in the State and makes a splendid and picturesque appearance as it goes through its formations with the band at football games.

22. To Miss Schlegel, we leave a diaper service for child care and the City Hospital for Home Nursing.
23. To Mrs. Wright, we leave the statement: "You can't go wrong with Wright."
24. And last but not least, to the Faculty and student body, both of Central High School, we leave Peace to reign throughout the halls and classes. (They Hope)

Signed:

THE CLASS OF JUNE 1950

### ALMA MATER

High above the busy city,  
Far beyond all touch of ill,  
Sits enthroned our Alma Mater  
Our dear Lady on the Hill.

In the glory of the morning  
Burns in lines of liquid gold,  
Every upward pointing tower  
Like some battlement of old.

Face we boldly every crisis,  
Love the need of duty done,  
As our pillared Alma Mater  
Boldly fronts the rising sun.

Hope of youth and pride of manhood,  
Standing steadfast, strong and sure,  
Guides us onward, ever upward,  
Heritage of rich and poor.

#### CHORUS

Lift the chorus, send it swelling,  
With a leal and loyal will,  
And our bounty be the beauty  
Of our Lady on the Hill.

# Acknowledgments

To our advertisers: You have been generous to us in helping finance our Yearbook. We urge all who read our book to patronize your business and thus in some measure justify your expenditure.

To The Newark Evening News:

We owe a great debt of thanks to you for furnishing us so many sport pictures taken by your photographers. We congratulate Newark upon having such a fine and cooperative newspaper.

Mr. Heiges:

Few in school realize the tremendous amount of work and responsibility in acting as the financial agent of Central High activities.

You have been most gracious and patient with us. We indeed appreciate your services.

Mr. Bauer:

We are grateful to you for coaching us in preparation for our Commencement exercises.

Mr. Rittenband:

Our Music Committee, especially, and the class in general realize the value of your helpful advice in the preparation of our class music. This is always a difficult undertaking.

Thank you.

Mrs. Walsh:

You have helped us so much with our decorations at our dances. Thank you.

Mrs. Welles:

Thank you for your advice and help in our poster activities and likewise with our Yearbook cover colors. We could always depend on your wise judgement and expert knowledge.

Miss Boutillier:

Your patience, advice and energy in assisting our Commencement program are indeed appreciated. We owe you a great debt of gratitude.

Mr. Lundie:

We surely appreciate your efforts in assisting us at our rehearsals. Many thanks.

To Mr. Ralston and Mr. Cain:

Thank you for your patience, wisdom and understanding which you have so freely extended to us in our association with you. We know we have been very trying to you at times, yet you have shown us every consideration. May our successors share the blessings we have had.

Mr. Schechter:

You have been most helpful with your advice and suggestions to our Art Committee. We are grateful to you for your assistance.

To our Home Room Teachers:

You well deserve our gratitude for your cooperation with us and our Committees in their numerous activities.

## Farewell

After four years together we come to the end of our High School days. We must now find our places in the busy outside world. As we leave our School, we pause to wave our goodbyes to those with whom we have been so closely associated, hoping that they will not see that tell tale moisture in our eyes beneath our smiles as we turn away. In our joy, sobered a bit by that little lump in our throats, we turn to new fields with brave faces knowing that we can always look back to "Our Dear Lady on the Hill" for new inspiration and encouragement. We are comforted in the understanding that there we will always find a hearty welcome.
